

Dear Sponsor:

ACE Cheer Company, one of the nation's largest family of cheerleading gyms, recently formed it's competitive teams for the 2019-2020 All-Star season. These competitive athletes need your support to help make it through the season. ACE teams across the country have already won over 1000 National Titles and have been featured in national cheer magazines, ESPN and CBS Sports. Our local teams have already brought 100's of National Championship titles home to Panama City and are the only gym in Bay County to earn bids and attend the US FINALS, The Summit, and the prestigious Cheerleading World Championships. These athletes train year round and will kick off the competitive season against the top competition cheerleading teams in the nation this fall. Many of the athletes and parents need your help to defray the costs of competition, such as uniforms, shoes, and travel to regional and national competitions throughout the Southeast.

Our athletes need your help. ACE is not affiliated with any school and receives no funding to assist them in their competitive endeavors. To assist in offsetting the high cost of this sport, our athletes seek support in the form of corporate sponsorships and donations. We're asking local businesses to become sponsors of the athletes in the ACE Cheerleading program. Let us CHEER on your business as we travel and compete. With your help, there is no limit to what these young athletes can achieve.

Sponsorships over \$50 will be listed on our website as our way of thanking each sponsor. The higher the sponsorship, the larger the listing on the site.

Thank you for your support and generosity!
