Referral Credit Terms & Conditions

Referral Credits are granted when a returning All Star Member refers NEW athletes to our All Star program that have not been a part of our All Star programs from previous competitive seasons.

All referrals listed above MUST indicate in the referral section on THEIR contract paperwork that you and/or your athlete have referred them to our program this season. Referrals will not be granted unless the referred athletes document your name as their reference.

The deadline for the referral credit is May 21st. All Star team registration and paperwork must be completed by this date in order for credits to be applied. If any of your referrals are to quit or leave the program before June 25th, your referral credit will be removed.

I agree to the above terms and conditions regarding ACE of Birmingham's All Star Tuition Referral Credit. I understand that this application/agreement is not guaranteed unless all conditions are met as stated above. I understand that if any of my listed referrals state another athlete's name on their paperwork, they will not be a valid referral for my account.
